Community Tissue Services- Dayton  
Attn: David Smith  
349 S. Main St.  
Dayton, Ohio 45402

Dear Mr. Smith,

This letter serves to confirm an accreditation extension for Community Tissue Services- Dayton, which will have continued AATB accreditation until May 7, 2020.

This letter also serves to confirm that it is best practice to verify a tissue bank's current accreditation status by accessing the AATB website to perform a relevant, real-time, accredited tissue bank search by using the "Accredited Bank Search" function.

We appreciate your participation in this important program of the Association. If you have any questions or need additional information, please feel free to contact me.

Sincerely,

Daisy Cottle, CTBS  
Accreditation Coordinator

Patty Malone  
Director, Quality/Regulatory Affairs  
Community Tissue Services - Dayton  
349 South Main Street  
Dayton, OH 45402

Dear Ms. Malone:

On behalf of the Board of Governors, I am pleased to inform you that the American Association of Tissue Banks (AATB) has approved Community Tissue Services - Dayton for accreditation after you had successfully addressed the nonconformities resulting from the inspection. The accreditation covers Donor Eligibility Assessment and Authorization; Recovery, Processing, Release, Storage and Distribution of Skin and Musculoskeletal Tissue for Transplantation; Recovery of Cardiac and Vascular Tissue for Transplantation; and Storage and Distribution of Autologous Tissue for Transplantation. Obtaining accreditation by the Association is a most important accomplishment, and we congratulate you and your staff.

The mission of the AATB is to improve and save lives by promoting the safety, quality, and availability of donated human tissue. Our Accreditation Program helps to realize this goal by checking that tissue-banking activities are being performed in an ethical and professional manner consistent with the AATB's *Standards*.

In addition to the special recognition attendant to AATB Accreditation, additional benefits include the following:

- Staff members may attend AATB meetings and workshops at reduced rates;
- Your tissue bank will receive a complimentary copy of future *AATB Standards for Tissue Banking*, when available;
- You may also purchase publications at the membership rate and;
- You may use the AATB Accredited Institution Logo (contact Jason LoVerdi at [loverdij@aatb.org](mailto:loverdij@aatb.org) for logo and information).

Visit our web site at [www.aatb.org](http://www.aatb.org) to see how you can become involved in the various activities of the AATB.

Your accreditation will expire on November 9, 2019. It will be your responsibility to note this date and re-apply in a manner consistent with the current version of AATB's *Accreditation Policies for Transplant Tissue Banks*. You should request the accreditation application approximately 12 months prior to the expiration of your accreditation and you must submit the completed application no later than nine months prior to the accreditation expiration date.

Please accept our sincerest congratulations on your accreditation. We look forward to your participation in and support of the Association's activities. If there is ever any way in which we can assist you, I hope that you will not hesitate to contact us.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Frank S. Wilton', is written over a faint, larger version of the same signature.

Frank S. Wilton  
President & Chief Executive Officer
