## **Order License Cards**

The Indiana Professional Licensing Agency no longer issues pocket license cards or wall certificates as part of the licensing process. If your profession has a posting requirement, or if you would like a license card, please read the following information.

- **License Cards:** License cards are available to order through the [MyLicense Online Licensing Service](#). You may pay with your Visa, Discover, or MasterCard credit/debit card. You also have the option to print your own free paper certificate. The free paper certificate meets all posting requirements.
- **Individuals:** Your Login ID is your primary license number and your password is the last 4 digits of your social security number.
- **Businesses, facilities, and companies:** Your license number is both your login ID and your password.
- **Fees:** The fee to order a wallet card and wall certificate combo is \$13.77 per card (\$10 fee plus \$3.77 in additional processing fees). Some professions have the choice of ordering a card with or without an expiration date.
- **Pharmacy, Dental, Barber, Funeral, Cosmetology, & Plumbing Professions:** Indiana law requires that you have a license card posted in your place of business. You must order a license card to practice your profession. Both versions of the card meet the posting requirement.
